Are you a farmer?

Do you know a farmer?

Do you know a landowner with a crop share?

Do you know you can donate grain to the Grant County Community Foundation?

By contributing crops to charity the cash-basis farmer avoids including the sale of the cash crop in income and can still deduct the cost of growing the crop, which results in saving self-employment tax, federal income tax, and state income tax.*

- Gifts of grain can be donated from the current or previous year's harvest.
- The gift should be from unsold crop inventory with no prior sale commitment.
- The farmer transfers ownership of the grain to the Grant County Community Foundation.
- Farmers cannot offer any guidance in the transfer agreement as to the retention or sale of the gifted grain.
- After the transfer, Grant County Community Foundation assumes cost of storage, marketing and transportation.
- **Its easy! Just tell the elevator you'd like to make a gift of grain.**
