

GRANT COUNTY EXTENSION RECEIVES GRANT

Congratulations to Monica Walker, and our local Grant County Extension office. Monica has applied for and received a \$1,150 grant from the GCCF to help purchase sewing machines for the 4-H youth in sewing projects. There are current 39 youth enrolled in 4-H sewing projects.

A big thank you to our Grant County Extension office for all the wonderful work they do in our community. In addition to overseeing our 4-H projects and playing a big part in our wonderful, free Grant County Fair, they offer assistance and training in areas such as gardening, conservation, farm & ranch management, health and nutrition, family living, and they also are extremely involved in community development within Grant County. This is just the tip of the iceberg when it comes to the services and assistance they offer.
