

GRANT COUNTY COMMUNITY FOUNDATION

Scholarships, Scholarships, Scholarships!

The Foundation has received more scholarship applications than ever before! With 7 scholarship programs available to choose from, many applicants were able to apply for more than one type of scholarship. The deadline for applications was March 31 and we received 67 complete and eligible applications to be reviewed and evaluated!

Grant County Forever Campaign

More Matching Funds!

The Grant County Forever Campaign has received an additional **\$100,000** match fund from a very generous donor who believes in the work that the Foundation is doing to help keep Ulysses the great place that it has been to live, work and raise our families.

In order to receive the full benefit of this match fund, Grant County Community Foundation needs to receive at least \$50,000 in donations by June 30th to capture first \$50,000 of the matching fund. The final \$50,000 must be received by December 31st.

The money raised through the Grant County Forever Campaign goes into an endowed fund to enable the Foundation to hire a full time Executive Director. The goal is \$1 Million in order to continue to fund the position with the earnings from this investment.

Won't you consider what you can do to help us reach this goal? In addition to your cash donations, the Foundation can receive gifts of stock, land, grain, and other tangible, marketable assets. Or, maybe you would like to set up a legacy fund to benefit the organization of your choice. We will be happy to work with you to achieve your desired goals.
