GCCF Gives \$8,000 in Pro-Active Grants

Eight \$1,000 grants have been awarded to various non-profit organizations this month. Pro-active grants are occasionally given to organizations whose missions align with those of funds within the Foundation who have grant money available that has not yet been used in a calendar year. GCCF attempts to ensure that the majority of all grant money available, that is within the grant-making authority of the foundation, gets used each year to benefit the community. Check out who received them.
