

**HOW IS THE GRANT COUNTY FOREVER CAMPAIGN GOING?**

You may be wondering how we are coming along toward our goal of raising \$1 million by the end of 2023? We are about a third of the way to our goal with total donations of \$302,328.21. Plus we still have \$130,187.14 left in the match fund.

We believe that is a pretty good start! Our board is considering fund raisers that will help boost the total and bring awareness to the campaign. If you have a good idea for a fund raiser, please share it with us!

If you would like to be part of this fantastic foundation and help us reach our goal, send your donations to:

Congratulations to Jennifer Burns and the Ulysses High School Library! They were approved for a \$600 grant to purchase games, puzzles and STEAM exploration kits for the library. All of these will be available for all students to use in their "Exploration Station".

The Grant County Community Foundation has an open grant cycle. This means we accept grant applications at any time and our board is committed to a timely response time.
