This year, 51 of our local businesses and organizations have given generously to create a match fund of almost \$50,000. In addition to this, the Patterson Family Fund has granted \$70,000 in additional matching funds to benefit our 34 participating local organizations. We encourage everyone to take this opportunity to donate to these participating organizations. Matching funds will increase your gift and every bit goes directly to these organizations to use here in Grant County. The Foundation takes no fees. The office will be open every day this week.
