What's Happening at Grant County Community Foundation?

Things have been busy at the office making preparations for the upcoming Estate Planning Workshop, Fall Fest and Grant County Gives. It looks like our generous community is coming through again to make this yet another record year for the Matching Fund! We are so very grateful that so many in this community have the same heart that we do at the Foundation—to continue to make this a better community to live, work and raise our children in. It is our vision to be able to establish an endowed fund that will ensure the perpetuity of this Foundation to help future generations continue to be able to enjoy the quality of life that we strive to maintain here in Grant County. To this end, we have established **Grant County Forever**, a capital campaign designed to accomplish this by raising \$1,000,000. We know this sounds like a lot, but we are well on our way to achieving this goal by the end of 2023. The Board of Directors and staff at Grant County Community Foundation extends a huge thank you to all of you who care about Grant County as much as we do!
