### **A Huge THANK YOU From Grant County Community Foundation!**

*After an absolute record breaking year of generosity, including helping us reach our Grant County Forever goal of \$1M, the Foundation has reached a milestone of over \$5,000,000 in assets! This means more grant money available for not for profit causes that will continue to help make this community an even better place to live, work, and raise our children.*

### **Would You Like to Make a Difference?**

*Do you have a love for this community and a desire to see it continue to thrive far into the future? You can help to make a difference. Consider designating just 5% of your wealth in your will or estate plan to Grant County Community Foundation. GCCF will carry out your wishes for how the money is distributed—whether it's to the community grant fund, to the non-profits and causes that you care about, or a combination of both. Contact the Foundation for more information.*
