

GRANT COUNTY COMMUNITY FOUNDATION

**Classroom Grants**

Congratulations to the twelve teachers in USD#214 who have been awarded grants of \$500 or less to use toward items to benefit their students. We have so many dedicated and creative teachers in our community!

Where does the money for Classroom Grants come from? Each year a grant from the USD#214 endowed fund earnings is made available for classroom grants. This year, \$3,000 was made available for this purpose and GCCF matched the amount with an additional \$3,000 from another fund designated to benefit children in Grant County.

Also, congratulations to **Erica Engelman** of **Ulysses Learn & Play**, which offers early childhood and parent education in our community. She has received a grant for books so that each time a child attends a session they are able to go home with a book. Thank you Erica for the great job you are doing with these children and their families.

**Did you know** that in addition to cash gifts, GCCF can accept donations of publicly traded stock, mutual funds, real estate, land, grain, livestock, and life insurance proceeds, among other things. Also, donors who are required to take an annual distribution from their IRA can donate the distribution tax-free to the Foundation.

**Remember, scholarship applications are due March 31st**
